Domestic client, Cheshire

3D & HD ready home cinema

Brief

To install a cinema system in a domestic property. To use HD projection with 3D facility. To install as large a screen as possible along with a powerful 5.1 audio system. To further enhance the experience by adding Freesat HD and gaming via a PS3 as well as a home theatre PC. With so much equipment, to install a programmable universal remote to control screen, projector, AV receiver, PS3, Freesat tuner and media centre PC. To use the media centre PC to stream 1080p audio and video from a network attached storage device (NAS drive), in full HD via a home network.

Solution

A 3D cinema system using Optoma HD projector and Optoma 3D-XL 3D converter. 2m electric screen with Onkyo 5.1 surround system. Freesat, PS3 and HD ready media centre PC. Ubuntu with XBMC installed on PC for media playback. All devices controlled using a Logitech remote. All cabling through walls. Very, very tight budget met!
